Prana Resorts & Spa – Koh Samui, Thailand

"To Simon and the Prana staff, thank you for making our honeymoon magical. I feel sad that I have to leave. We definitely had a lot of good memories at Prana. Everyone was very nice and accommodating. Staying at Prana was like staying in paradise. That's how nice everything was. Not to mention the chef's cooking was excellent! We can't wait to come back and have more great memories. We love you guys! Prana has a magical touch, and what makes it wonderful is the people who work there. We will miss this place."

Mrs. Maria Eguizabal (United States)

Patong Tower Condominium, Phuket

"Overall, it has been a great experience for us especially our children. We had a wonderful time in Phuket. I have attached a few of the snapshot my children took. Plenty of things to do in Phuket, from shopping, sight seeing and interesting places like the Buddhist Temple. We also had a chance to see Fantasea which was very entertaining."

Hotel Elegance Suites, Bangkok/Patong Tower, Phuket

"Upon our arrival at Patong Tower in Phuket, the QVI representative welcomed us warmly and provided useful information like map of the island, location for supermarket, spas and the beach. Our city tour program included transport from the hotel, a tour guide, a visit to Phuket highlands, animal shows, visits to Buddha temples and a jewelry shop. The island also has its shopping centres which were located by the beach. The fantastic weather and charming calm and tranquility in Phuket are definitely also worth a mention.

Finally, we would like to suggest for families to utilise the QVI membership packages. Do not be deterred by language difficulty. Although many Thais do not speak much English, their warm and friendly nature will make up for any communication gap. "

Bangkok and Ayutthaya, Thailand

"My trip to Thailand with my family was one of the most memorable of the five Asian countries I visited in June 2007. I used my QVI membership for the first time and stayed at the Executive Suite of the Grand Tower Inn-Bangkok with a very spacious bedroom and large sitting room. I have to give thanks to Ahe, Head of Customer Service and Lalaine Vitug for their outstanding customer relations.

Thanks, QVI Club. You made my holidays more colourful. Excellent job!"

"I really liked this resort. It has 2 swimming pools, BBQ grill, a gym room for my brother, a hammock, and free internet! YES, free internet! I played my Warcraft game online on my laptop at no charge during my stay there.

My family really enjoy their vacations using QVI membership. They love it so much that our car plate says "QVI CLUB."

Thank you so much QVI for making my vacation with my family memorable and thank you mom and dad. When I grow up and have my own money, I will buy one QVI for myself. "Terima kasih dan sampai jumpa!" "

"Firstly, thanks for securing the availability of Village Heights Resort as it was an excellent choice!

We (myself and three other friends) enjoyed the stay very much because the resort is new, clean and cosy. The 1-bedroom unit I had was well equipped and even though we checked into the resort close to midnight, we were greeted by a warm reception and a welcome drink.

The housekeeping staff are efficient and friendly as well.

Overall, it was a pleasant and relaxing stay and yes, I would definitely recommend it to my friends. "

Loryma Resort, Marmaris Turkey

"Excellent location of the resort giving a beautiful panoramic view of the whole of Turunc bay. The pantry was well equipped for daily needs, just a little salty water supply in the resort was shocking. The shuttle service to and from the resort was wonderful. As we were in the end of season some of the activities were cancelled, but we kept ourselves busy all the time. Not one but many are our memorable experience like -visit to epheses, dalaman, trecking, mudbath, Turkish night ...& others. They have very friendly customer service and excellent service by the resort staff. A tour guide could have been better. We recommend the hotel to our friends. "

"Our vacation wouldn't have been complete without your help. The Panoly Resort Hotel is such a beautiful and amazing resort. The beach is the best beach I've ever seen in my life. It is very quiet and the place had a great ambience. The accommodation is excellent and the hotel beautiful.

We enjoyed island hopping, jet skiing, snorkeling, took a banana boat ride, and of course did lots of swimming during our stay there. The service was excellent and the hotel staff were great. I would definitely recommend this resort to all my friends. "

Royal Goan Beach Club at Monterio – Goa, India

"Booking my trip to Goa through the internet was a really good experience, since most people in my country, Iran, usually go for tour packages. I myself didn't have any opinion about the resort until I saw it & believed that it costs a lot.

I enjoyed our trip to Goa, Monterio, at the Royal Goan Beach Club. We went to the 'Jungle Book,' a place where there was an elephant show, and we rode on the elephants, and even washed the elephant in the river. "

Royal Goan Beach Club at Haathi Mahal - Goa, India

"I was truly jovial when my friend Ashkan Shakiba's offered me to go on a QVI holiday using his membership. Without much consideration I quickly decided to go to Goa, India together with my friends during the Iranian New Year holiday.

We stayed at an XchangeWorld associated resort, Royal Goan Beach Club at Haathi Mahal. The hotel was very nice and provided excellent service!

The moment we reached Goa, we were amazed by the natural beauty of its beaches. But Goa indeed has a lot more than that! We went for a one-day tour to Tambdi Surla and had an unforgettable experience as we went on elephant riding, walked the jungle trail and visted the Shri Mahadev Temple.

It would take me the whole page if I were to describe all the excitements we had during our stay in Goa, but all in all our experience was superb! "
